Daily Standup Role Cards

Passive Developer

• • Day 3

Yesterday: Not much Today: Not sure Blocked: Nothing

(Give vague updates and hope no one follows up)

• • Day 4

Yesterday: No update

Today: Continue working on the task

Blocked: Nothing

(Give vague updates again; the task should probably be done)

Over-Talker

• • Day 3

Yesterday: Worked on calendar view Today: Still working on calendar view

Blocked: No blockers

(Ramble about small issues. Don't stop talking unless interrupted)

• • Day 4

Yesterday: Still on calendar view Today: Hope to finish today

Blocked: No blockers

(Again over-explain, describe minor problems in excessive detail)

Clear Developer

• • Day 3

Yesterday: Finished service form

Today: Starting validation

Blocked: Need final labels from designer (Concise and clear update)

• ◆ Day 4

Yesterday: Added validation Today: Writing unit tests

Blocked: Nothing

(Straightforward and on track)

Scrum Master

• • Day 3

Let the team talk freely. Observe but don't intervene. (No time checks, no questions)

• • Day 4

Start facilitating: ask who's next, watch the time, and clarify vague updates

Designer

• • Day 3

Yesterday: Worked on calendar UI Today: Finalizing UI for mobile

Blocked: Dev hasn't responded to my Slack

(Highlight communication delays)

• • Day 4

Yesterday: Finalized UI

Today: Starting responsive layout

Blocked: Still no dev confirmation on design handoff

Blocked Developer

• • Day 3

Yesterday: Tried to integrate calendar

Today: Still stuck

Blocked: Major bug, can't make progress

(Be clear but clearly stuck)

Day 4

Yesterday: Same issue

Today: Still can't move forward Blocked: Waiting on backend fix

(Team should notice you're blocked too long)

Helpful Developer

• • Day 3

Yesterday: Helped QA with bug testing Today: Picking up task for mobile view

Blocked: Nothing

(Mentions collaboration and unblocking others)

• • Day 4

Yesterday: Finished mobile view

Today: Reviewing PRs

Blocked: None

Unprepared Developer

• **Day 3**

Yesterday: Not sure

Today: Didn't check the board yet

Blocked: Maybe

(Shows lack of preparation)

• • Day 4

Yesterday: Started something, not sure what

Today: Will figure it out

Blocked: Unsure

(Makes team uncomfortable)

QA Tester

• • Day 3

Yesterday: Tested form validation

Today: Testing edge cases

Blocked: No test data for time-off feature

(Clear and test-focused)

• • Day 4

Yesterday: Created more test cases Today: Preparing test summary Blocked: Waiting for form bug fix

Tech Lead

• ◆ Day 3

Yesterday: Reviewed 2 PRs, helped dev with time logic

Today: Code cleanup for deploy

Blocked: Nothing

(Confident, slightly dominant)

Day 4

Yesterday: Completed cleanup Today: Helping with code review

Blocked: None
